

This is a detailed technical cadastral map of a residential area in Chernivtsi, Ukraine. The map features several key elements:

- Streets:** Major streets include "vul. Chernivets'kogo" (Chernivets'kogo Street) and "vul. Chervona linia" (Chervona linia Street). Other smaller streets and paths are also labeled.
- Buildings:** Numerous building footprints are shown, some with internal room divisions. Labels like "КЖ" (Kommunallye Zhilishche - Communal Housing) and "Поліклініка" (Poliklinika - Polyclinic) are visible.
- Topography and Landmarks:** The map includes symbols for trees, a "гор" (gora - hill) area, and a "двір" (dvir - courtyard). A prominent red line, possibly a railway or a major boundary, runs diagonally across the lower half of the map.
- Cadastral Data:** The map is covered with numerous numerical values, likely representing elevation points or cadastral identifiers. These values are often accompanied by small symbols like crosses or circles.
- Infrastructure:** Features like "ст. 89 н.т." (st. 89 n.t. - station 89 n.t.) and "ст. 100" (st. 100) are marked, indicating specific infrastructure points.

The map is a complex technical drawing used for land management and urban planning purposes.
